HVAC FUNDRAISER LAUNCH

We have now started our fundraising in earnest to upgrade our elderly HVAC system. Information explaining the issue, the building's history, and fundraising goals and initiatives are on our church website at www.pgcc.us/hvac-project. Contacts for those involved in different aspects of the project can be found here for questions and concerns in this project.

We have a table in the back of the sanctuary with "HVAC Fund" envelopes for your cash or checks, pledge cards, paper brochures with project information, and giving workshop flyers for those who would like to learn more about managing their finances wisely in a Biblical context. Volunteers will be on hand before and after service to answer questions.

We also have a donation fund set up online with Zeffy.com. 100% of all proceeds donated on this platform go to the fundraiser; no fees, no hassle. Zeffy has a tip option at checkout, which you can bypass by selecting "Other" then "Contribution: \$0" in the drop-down. You can access our fundraiser by scanning this QR code, or going to the project webpage at www.pgcc.us/hvac-project and clicking the DONATE button.
